

# r-MicroTuff Swift

Cloth is made from 100% Recycled Materials

## Product description

r-MicroTuff Swift is the first recycled cleaning cloth from Viled Professional. The cloth is made from 100% recycled post-consumer polyester and available in four colors. The recycled cleaning cloth is effective and sustainable. It provides the same superior cleaning performance and durability as the virgin fibre product. It removes greasy finger marks and stubborn dirt easily without the use of chemicals.

## Application area

r-MicroTuff Swift is a knitted textile microfibre cloth. The recycled cleaning cloth can be used on all kinds of surfaces and in all areas where fast and effective cleaning is required. It removes spills with its high absorbency capacity and it has high particle pick-up through increased thickness. It is suitable for the preprepared method as well as for bucket and spray wiping.

## How to use

r-MicroTuff Swift can be used dry, damp or wet. Rinse and wring to cloth until desired moisture level required for the type of application and cleaning. Fold the cloth three times and wipe the surface with the closed edge in the wiping direction. Change cloth side when it has become dirty and apply 16 side technique. Apply color coding to avoid cross contamination.

## Washing Recommendation

Recommended washing conditions: 60 °C  
Maximum washing temperature: 95°C  
Avoid high alkalinity and strong bleaching activity (do not use chlorine bleach)

## Customer benefits

- ✓ 100% Microfibre cleaning power
- ✓ Up to 99.99% Bovine coronavirus removal from vinyl surfaces as tested at a 3rd party lab
- ✓ Nordic Swan Ecolabel awarded
- ✓ 2 PET Bottles are re-used in 1 cloth
- ✓ Very high particle pick-up
